Simulator Source File Error (#p2791)

by **culturejam** » Sun Jul 31, 2016 6:02 am

I've set the sample rate in the Simulator to 44100. My sample file is 16-bit / 441000. I still get the "Make sure your sample file is blah blah..." error saying my file is bad.

Info on my sample file is attached.

Any ideas?

Ah yes. Stereo.

Audacity to the rescue.

Thanks.
